SICK SCRAWLS!

Dear Sick Sickies,

Star Wrek was great, Adam Kane is one of the best. The script was entertaining as was the rest of the magazine. I've always enjoyed Sick, keep up the good work. Charlton pub. and Sick have a fan for life.

A hooked sickie,
Steve Chaleff
Brooklyn, NY

Dear Steve,

You deserve life, Steve, without parole!

Enclosed is an April Fools issue of our newspaper. If you were to offer me a job with Sick including a huge salary, I would probably think about it.

Michael Redman
Bloomington, IN

Dear Sick,

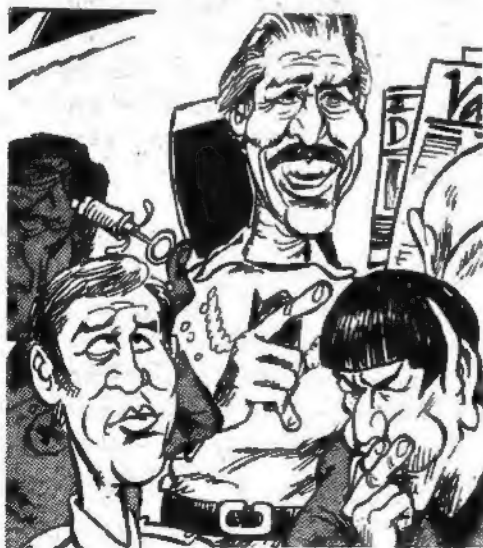

I've just bought your June issue. I just loved Star Wrek! But that was nothing compared to Crapper John M.D.! I have three issues of Sick now. I've been collecting them since Feb. 3rd. Oh, I forgot to ask you, How do you think MAD and CRAZY and CRACKED are selling? Are they better than Sick?

Jay Poole
Knightdale, NC

Dear Jay,

They may be better but they're not as sick. You're kind of a wise guy, aren't you, Jay Poole!

Th' Editor

Dear Michael,

If we were to offer you a job with a huge salary, we would obviously be MAD, but it's bad enough just being SICK, so stop thinking about it!

Th' Editor

Big Bosses,

Right now I'm working on a ugly duckling type Superhero that I thought you might like to run as a story every other month or it could be used as a mascot for your mag but I just notice you have a "Little boy knight and his donkey" mascot.

I ain't say what my characters name is or what he does but I will say this, us teenagers when they see him will be proud that we don't look anything like it, him, her.

Now the question is. Are sick readers happy with the mascot Sick magazine got now or are they rioting for a new one?

May the farce be with you!

Michael Hoffman
Bath, PA

Dear Michael,

Our readers riot at the drop of a hat. Your ugly duckling Superhero will probably send them up the wall and around the bend at the same time, causing what is sometimes referred to as the 'dworped' effect, which is a spectacle in itself, let me tell you!

Th' Editor

Dear Editor:

Politics are a 2 on 1 to 10 scale of funny! You can dress those clowns any way you want and they ain't funny! Funny cover but very un-funny clowns. When you think of the men we've elected in the last twenty-five years, it makes you shudder. The distance between promise and performance is several light years. The Congress alone is mind-boggling. Fifty-plus men lining their pockets at the expense of the country. I could go on and on, but I' sure you get my drift.

Warmest Regards to Sick,
Cecil P. Sumpner
Boston, Ma.

Dear Cecil:

A disturbed citizen is a voting citizen . . . now if enough of you fellows can get together . . . who knows, maybe you can vote the rascals out.

Th' Editor

Dear Editor:

Your Sick Magazine is a contagious disease. My son began bringing it home after he picked up the disease from his friends. Now the whole family is disease ridden! Sick! Sick! Sick!

A plague is on our house.

Frita Planter
Tampa, Fla.

Dear Frita:

Don't get well.

Th' Editor

Dear Sick:

I was unable to find "Sick" on my news-stand, a worthy tipster of our nervous times. But I did find . . . "How to Cremate Yourself" . . . "Government Economics, and Other Fables" . . . "Outer Space for Rent" . . . and last and least, "Fossil Fuels are Fun" plain exasperated!

Distressed,
Mary McWorthy
Boston, Mass.

Dear Mary:

Sorry about the inconvenience. You could subscribe, thus doing away with foraging for "Sick."

Th' Editor

Once again we were able to get our hands on the **ORIGINAL** version of a hit movie! Let's see what might have appeared on the screen, if some chicken editor hadn't rewritten the first draft of...

KREAMER vs.

KREAMER

Kreamer vs. Kreamer is the story of a typical American family struggling to survive...

Dad, can you play with me?

I'm busy... ask your mother!

Mom, can you play with me?

I'm busy... play with yourself!

I don't know how!

Ask your father — he's an expert!

STORY BY
KASHDAN
ART BY
SPARKING

What's that supposed to mean?

Nothing, dear — except it wasn't exactly me you played with on our wedding night!

And every night since!

Grrr... what does it take to get a rise out of you two?

Your son is wrecking the house!

He's your son too!

But whose bad genes did he inherit?

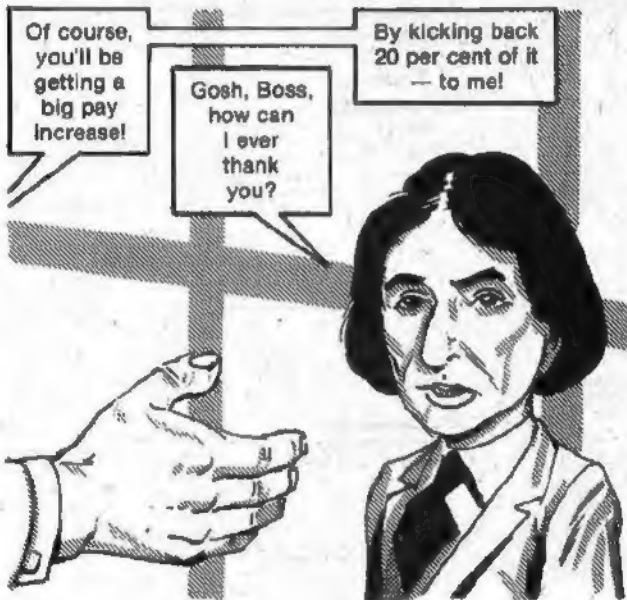

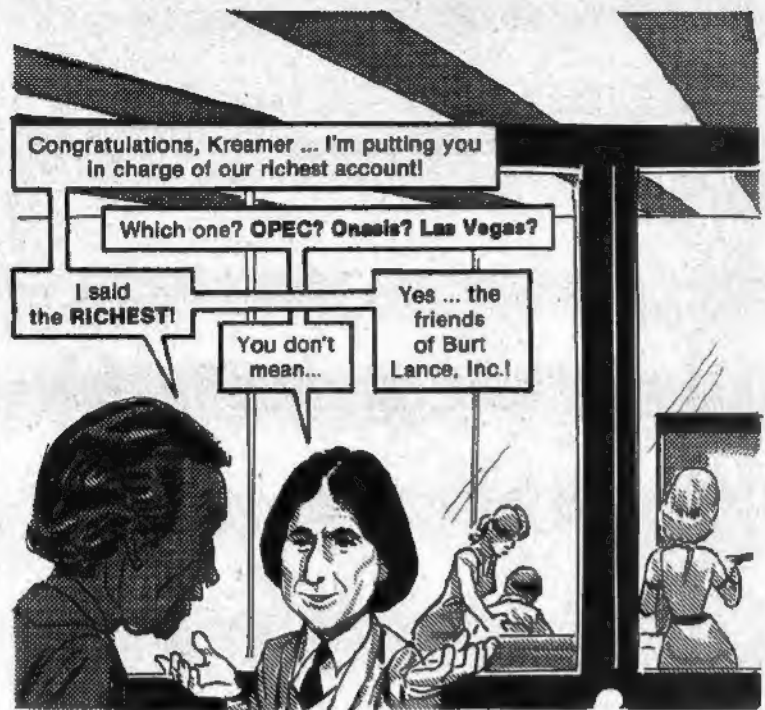

According to our neighbors, it's a tossup between the janitor, the doorman, the newspaper boy, the plumber, the milkman...

That's a lie!

Prove it!

We don't have our milk delivered!

Dad... where's Mom?

Er ... she went to stay — um — with her uncle!

Which one? Uncle Janitor? Uncle Doorman? Uncle Newspaper Boy?

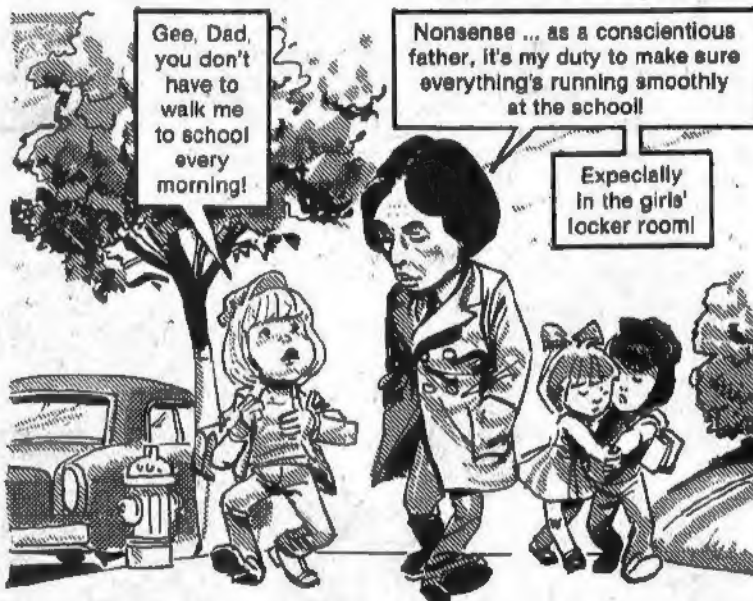

Don't you like my french toast?

It's great, Dad!

Then why aren't you eating it?

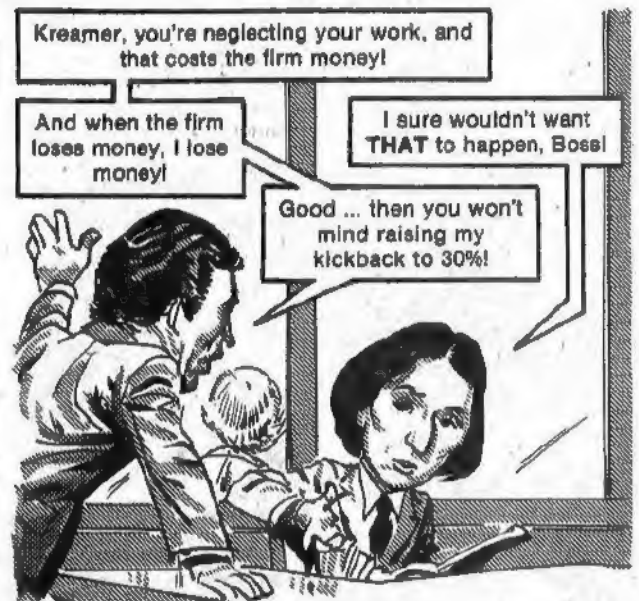

I'm saving it for my hockey team ... It makes a great puck!

Gee, Dad, you don't have to walk me to school every morning!

Nonsense ... as a conscientious father, it's my duty to make sure everything's running smoothly at the school!

Especially in the girls' locker room!

Kreamer, you're neglecting your work, and that costs the firm money!

And when the firm loses money, I lose money!

I sure wouldn't want **THAT** to happen, Boss!

Good ... then you won't mind raising my kickback to 30%!

Are those figures satisfactory, sweetie?

50 dollars ...hmpfh! You must take me for a cheap hooker!

Oh, no ... I consider you a **HIGH-CLASS** hooker!

Right ... that's why my fee is 100 dollars!

Mr. Kreamer, you're such a nice guy, you can keep the 100 dollars!

What makes you so generous?

The way you perform, you need every cent you can get — for sex therapy!

I've got to leave now!

What's the rush? It's only two o'clock!

That leaves me just enough time to find another John and retrieve my 100 bucks!

EEEEK! How dare you spy on us?

I wasn't spying! I was gathering data for a report to my sex education class!

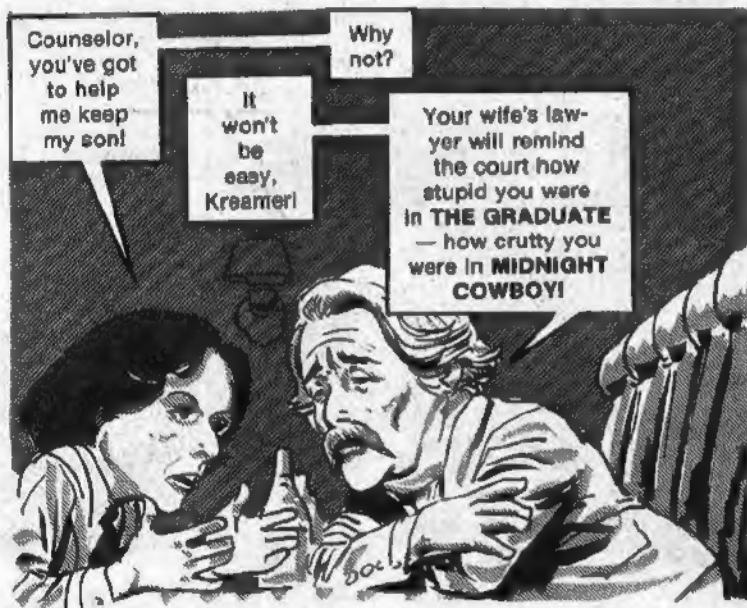

Why did you return, Joanna?

I want my son back!

Oh, yeah? Over my dead body!

It's a deal!

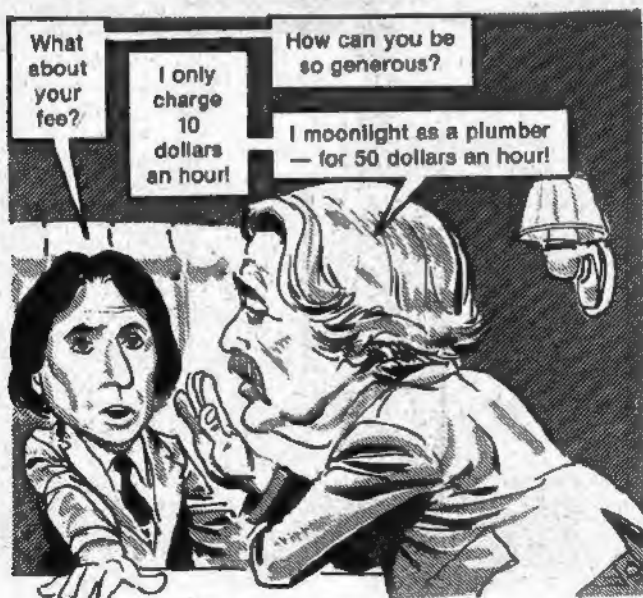

Counselor, you've got to help me keep my son!

Why not?

It won't be easy, Kreamer!

Your wife's lawyer will remind the court how stupid you were in **THE GRADUATE** — how crutty you were in **MIDNIGHT COWBOY**!

What about your fee?

I only charge 10 dollars an hour!

How can you be so generous?

I moonlight as a plumber — for 50 dollars an hour!

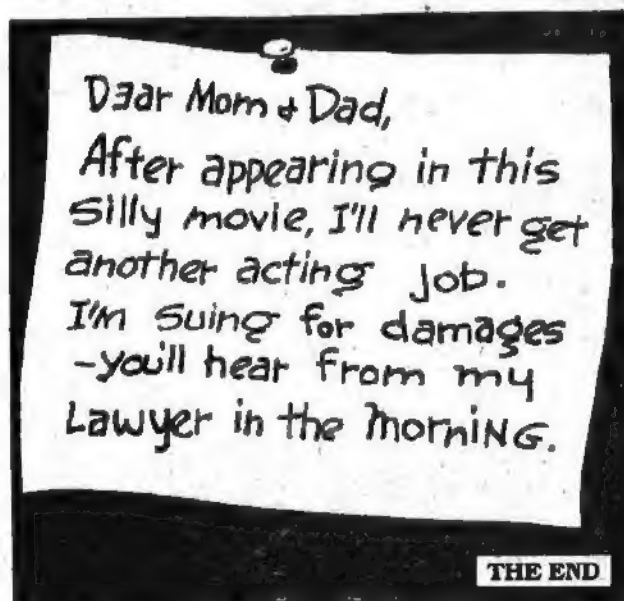

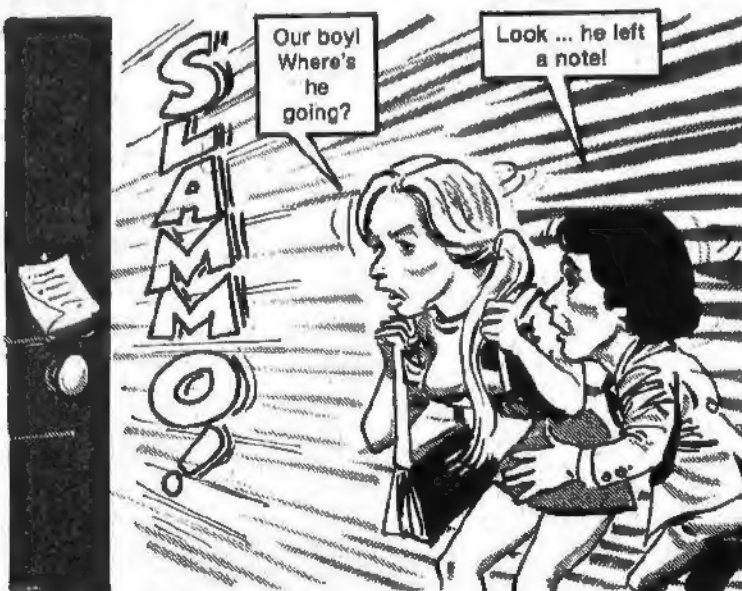

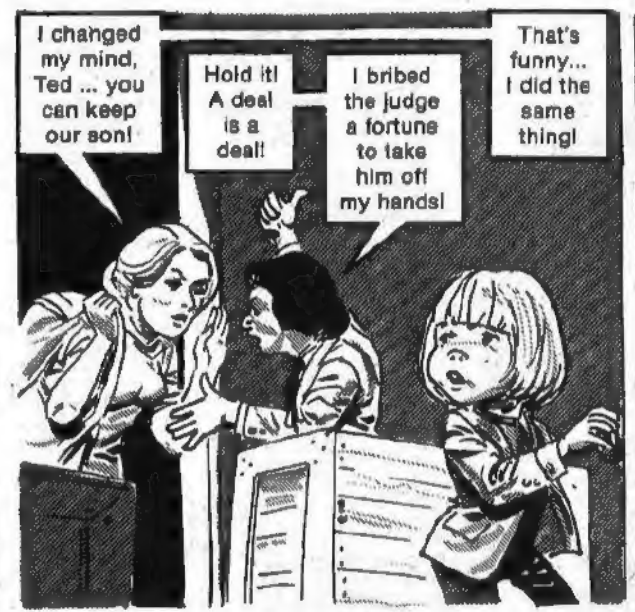

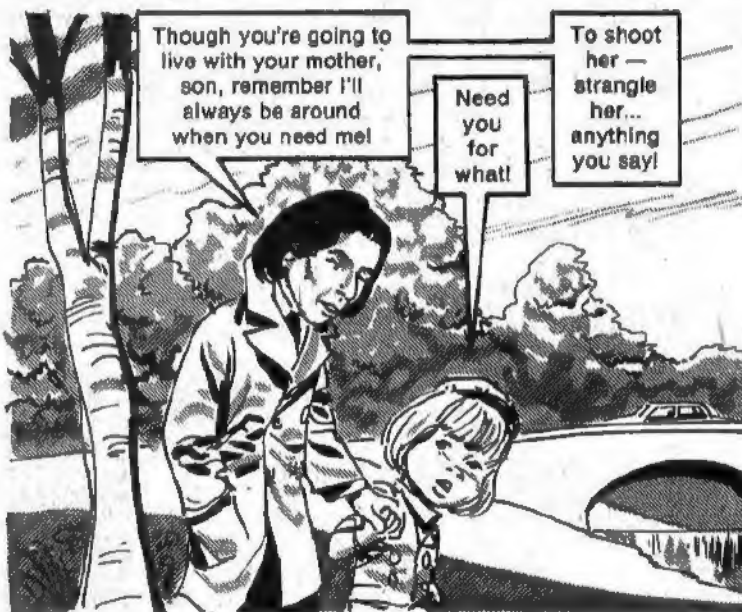

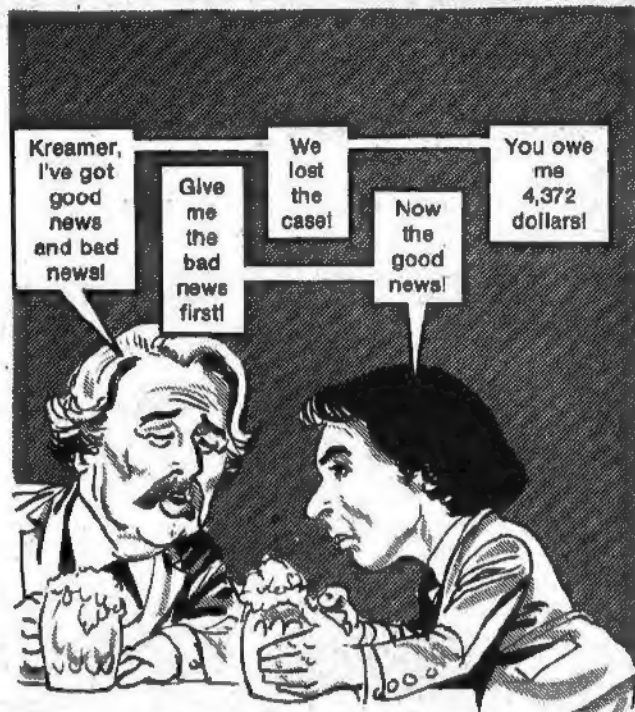

Mrs. Kreamer, why did you desert your son?

Why do you want him back?

He's spoiled rotten! He's violent! He's so dirty, his smell nauseates me!

A mother's love!

SICK

TAKES YOU ON THE SET OF JAWS 3

When Hollywood produces an intellectual movie, the pundits usually come out in force to give their unique analyses. So it's no wonder that the learned community responded mightily to that masterpiece of subtle, intelligent, high comedy...

THE URK

Hi there! This is Rhoda Barelt, your favorite film critic!

Today I've prepared a special show featuring Steve Muddling, star of the new contemporary cinematic classic, **THE URK!**

Steve has come to hear an interpretation of the movie by three scholars, each with a radically different viewpoint!

Afterward we'll hear Steve's react on!

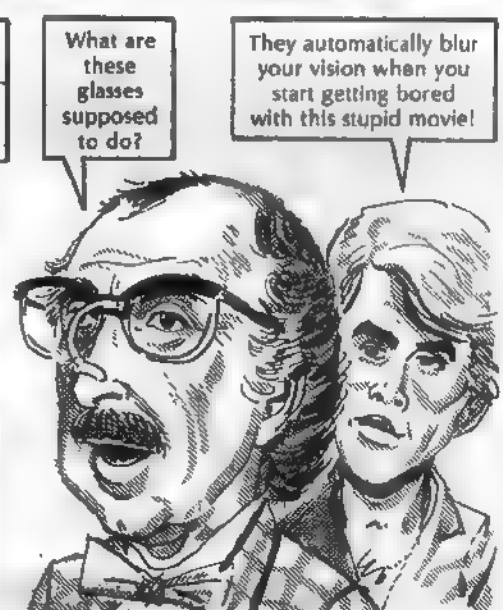

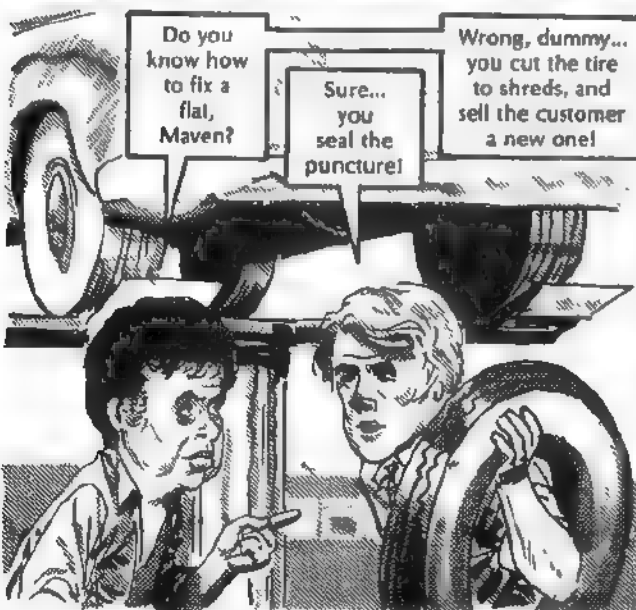

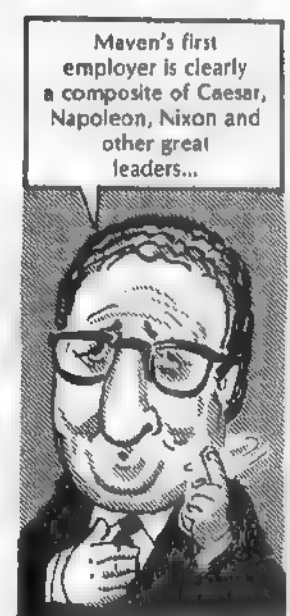

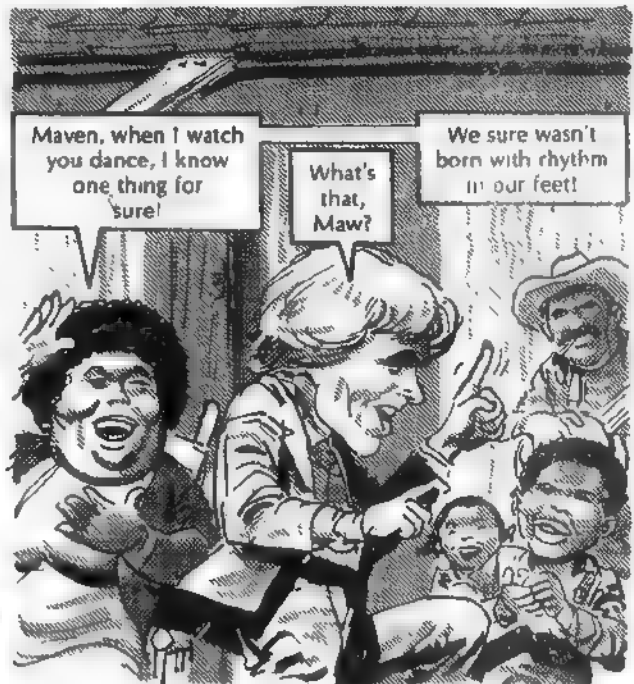

Our first expert is Dr. Henry Kissing-her, the eminent historian bon vivant, and apologist for the Nixon administration!

Tank you, Miss Barelt...

Maven's early years, for exan ple ... what a sensitive yet subtle symbol of man's first experiment with higher cultural values...

Our next authority is the famed feminist who achieved success despite her brains and beauty — Miss Gloria Stonehenge!

That's Ms. Stonehenge, Bareit!

Let me start by saying, Dr. Kissing-her, that your interpretation is entirely, wrong!

But then what else could one expect from a male chauvinist pig?

Whatever can you mean, Ms. Stonehenge?

The movie is actually a blow for women's liberation, as evidenced when Maven meets the oppressed, underpaid Batty Bernstein...

How'd you get into this line of work, Batty?

Erotic?

My reasons were erotic!

Yeah doll... I dig rubber and leather!

In Hairie Kimball, of course, we meet the downtrodden housewife-type..

I wouldn't give this sprig to just any girl, Hairie!

Why are you giving it to ME, Maven?

So you can dust under the armpits and other hard-to-get-at places!

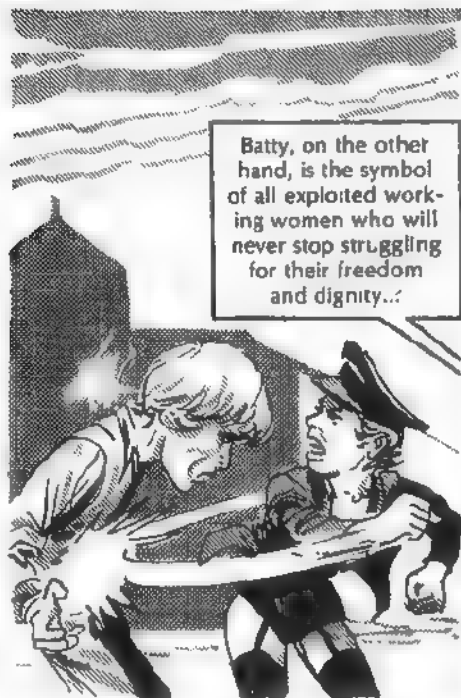

Financially being dependent on her mate, Hairie is a slave to his every whim...

Maven, did anyone ever tell you you got bad aim?

Hairie, did anyone ever tell you you got bad breath?

Batty, on the other hand, is the symbol of all exploited working women who will never stop struggling for their freedom and dignity...

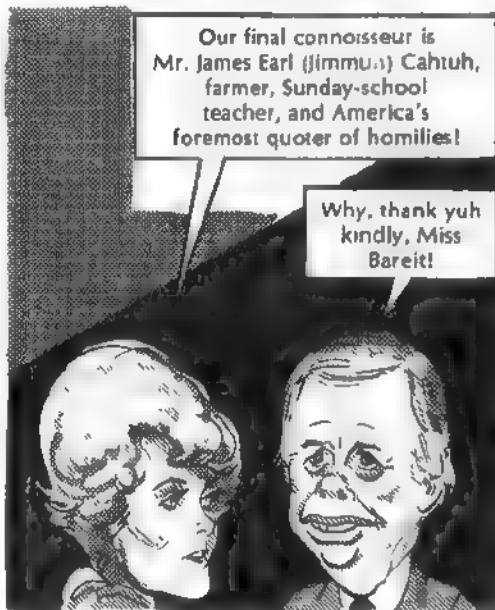

There must be better ways to put you in a love-making mood, Batty!

What way did you have in mind, Maven?

How about cozying up and watching reruns of Gomer Pyle?

Our final connoisseur is Mr. James Earl (Jimmie) Cahuh, farmer, Sunday-school teacher, and America's foremost quoter of homilies!

Why, thank yuh kindly, Miss Bareit!

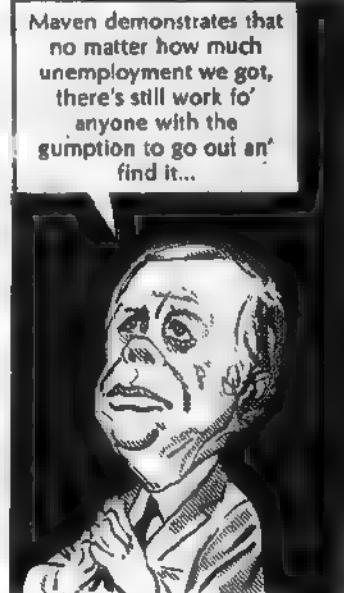

Lemme staht by sayin' I truly believe yuh're both wrong in yur interpretations!

To me, Maven Johnson is the symbol of every hãrd-workin', God-fearin' American boy!

You must be kidding, Toothyl!

Explain yourself, peanut-brain!

Maven demonstrates that no matter how much unemployment we got, there's still work fo' anyone with the gumption to go out an' find it...

Did every Amtrack engineer really start out this way?

Maven also proves that by nevuh skippin' Sunday school, a man gets his just rewards...

Your invention's a success, Maven!

Here's a check for your first million dollars!

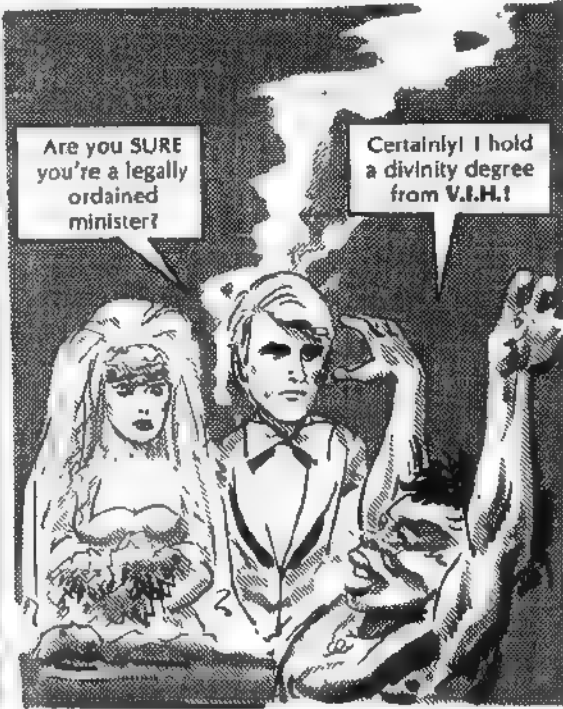

But it only says ~~one million~~ dollars!

That's what it came to after deducting my commission!

The great
weddin' scene is
a fine plea fo'
an end to racial
strife...

Are you SURE
you're a legally
ordained
minister?

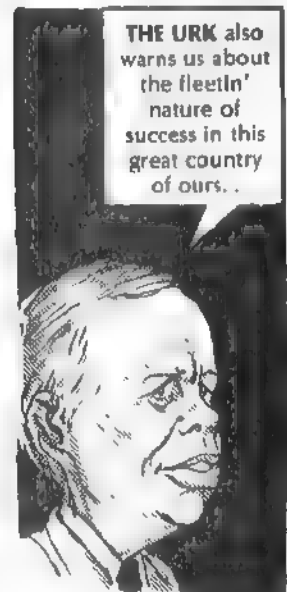

Certainly! I hold
a divinity degree
from V.I.H.!

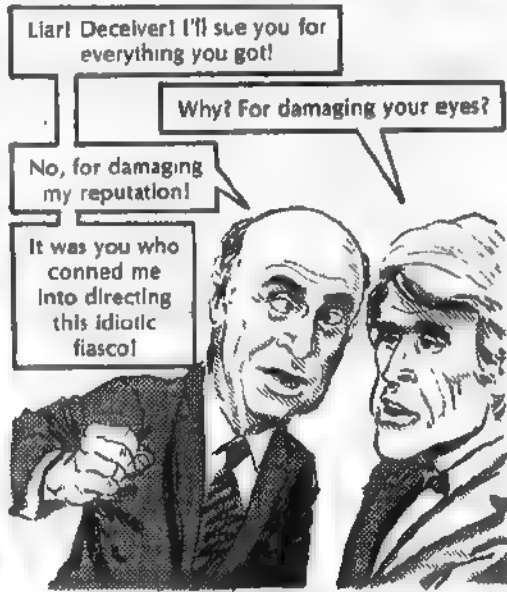

V.I.H.? What's
that
stand
for?

Voodoo
Institute
of Haiti!

THE URK also
warns us about
the fleetin'
nature of
success in this
great country
of ours...

Liar! Deceiver! I'll sue you for
everything you got!

Why? For damaging your eyes?

No, for damaging
my reputation!

It was you who
conned me
into directing
this idiotic
fiasco!

Well, Steve, what
is your reaction
to these varying
viewpoints?

I just got
one thing to
say, Miss
Rhoda...

Eeeeeek!

Hal-l-l-lp!

Rosalyn!
Ah need
yuh!

BAM
BAM
BAM—
BANG

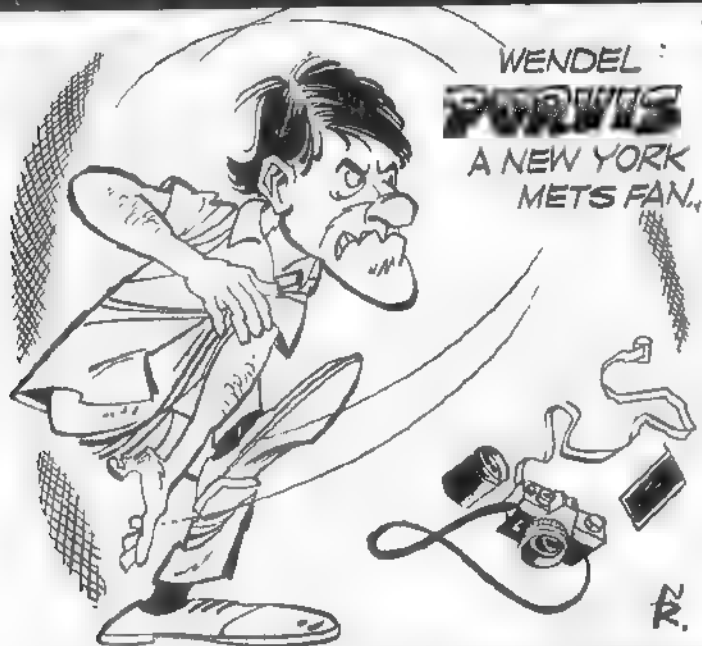

Why, Steve?
Why did you
do it?

To shut 'em up
before they kill any
more business at
the box-office!

But some great mind made a minor bubu, and...

...and the round trip lasted 500 years!

Inside, lay the heroic and frozen Burp...

As the ancient ship heads Earthward, a fleet of Boobonian crafts takes it in tow!

Kone, the Boobonian leader, has his doctor give Burp a truth drug!

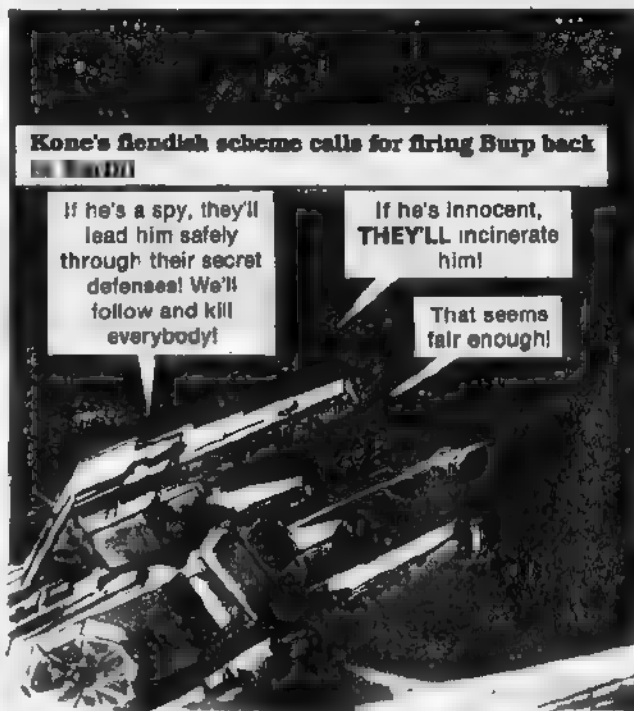

Quickly, Kone reports to Princess Lardala and her righthand beast, **PUSSYCAT!**

If he's innocent,
THEY'LL incinerate

KILLED!

Fired? Without 2 weeks notice?

I can't stand this! (SOB!) I bet 50 bucks he'd get off!

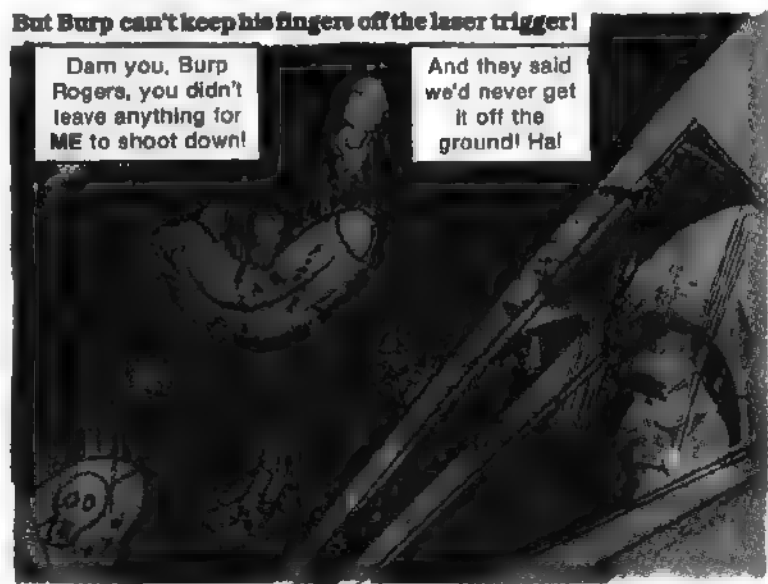

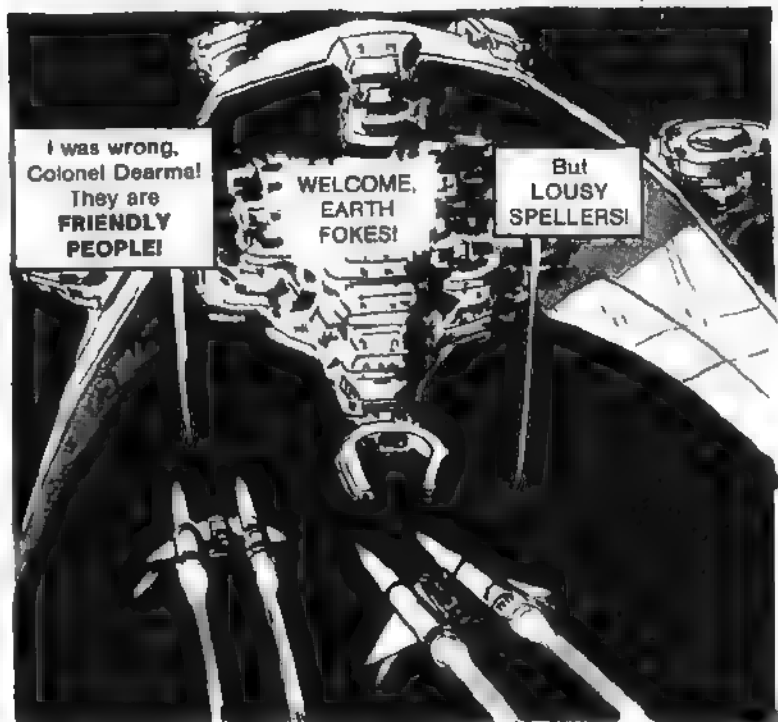

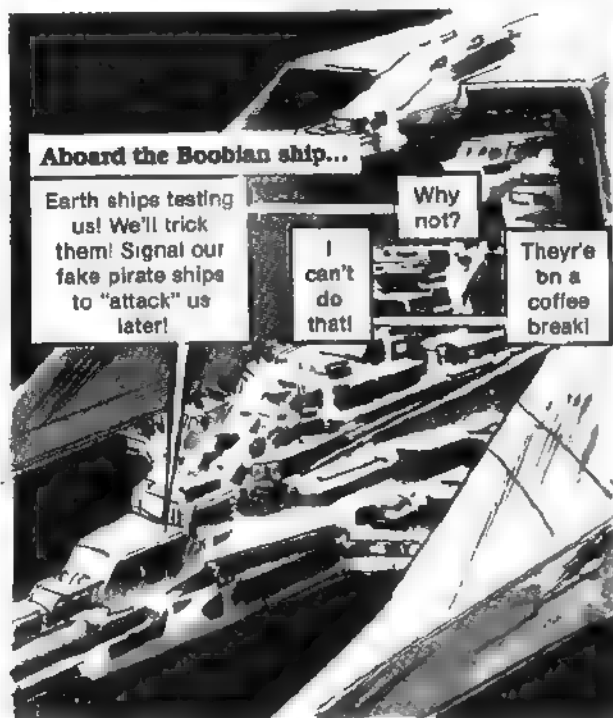

But Willing arranges for his escape...

I'll help you **PROVE** that Lardala's ship is armed!

Marvelous! But how?

You'll attack! If they blow you up, it'll prove you're right!

Swell!

Well done,
Burp Rogers!
Return to
my ship for
a victory
party!

Right, luscious LARDALAI

Eyes crossed in skull!
That means those were
FAKE pirate ships or —

MARTY FELDMAN
posed for the
flags!

And what a party!

I didn't
know it
was a
masquerade!

It's
NOT!

Man
at the
door
says
he's
got
200
PIZZAS!

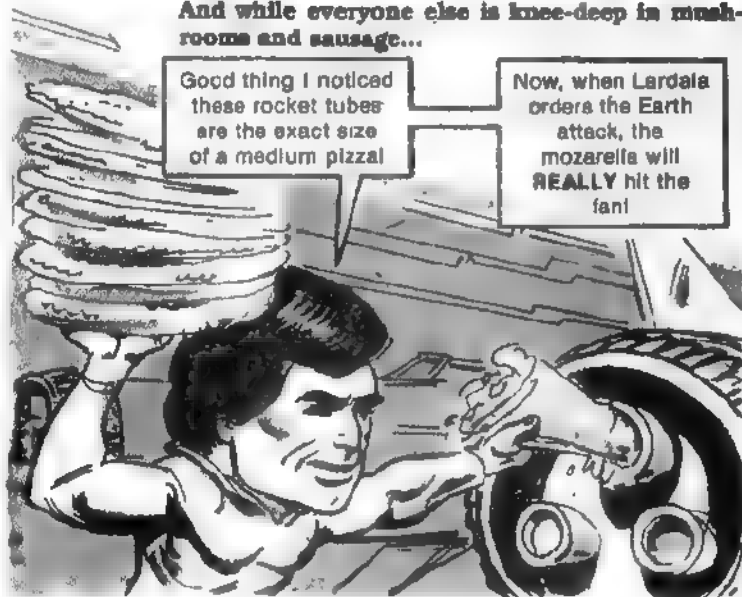

Oh, I ordered
those — from
"Cousin's"
Inter-
Stellar
Pizzeria!

And while everyone else is knee-deep in mush-
rooms and sausage...

Good thing I noticed
these rocket tubes
are the exact size
of a medium pizza!

Now, when Lardala
orders the Earth
attack, the
mozzarella will
REALLY hit the
fan!

Sure enough, as the Princess orders her
treacherous attack...

WHOOOSH!

YICHHHHH!
We've been
BETRAYED!

Yes! And
they left
the pizza
in the
TRAY!

Mine's full of
olive oil! The
doctor was right!
He said cholesterol
would kill me!

Burp and Willing make their escape, and...

The
ship
blew
up!

Yes! Worst case of gas in
history! A million Tums
couldn't have saved them!

BURRRRRRP!

The glorification of newsmen is the latest gimmick in the TV ratings race. Soon we may see Edwin R. Newman on Sesame Street reciting the letter T, while Harry Reasoner and Howard K. Smith may turn up on the Carol Burnett Show reprising some of the old Frick and Frack routines.

Eventually, this trend will prompt one network to build a comedy team into an all star news show.

COMEDY HOUR NEWS SHOW

Hi! You're tuned in to the Tonight All-Around Roundup of News from All Around. With us tonight are reporters Ed McManus with local news and incipient disasters; Tom Sneeve, with humorous sidelights about the world of the living and otherwise; Doc Bindlestiff, covering sports and Frank Fullmaster with the weather.

Me, I'm Ted McManus Drann. And now... the nation's No. 1 newscaster...

Hi. You like my body, eh? Well, you can have what you see, but I'm saving the rest for Let's Make a Deal.

Let's see, what's in the news tonight. Senator Bart Congreve of New York spoke tonight on the tax situation. Oh, it was dull.

It was so dull my pet tse-tse fly fell asleep.

Those New York police are in another hassle—should they live in New York or be allowed to live in the suburbs?

The police today announced that they want to live in the suburbs and be bussed to crime outside their neighborhood.

Another divorce on the domestic scene. Playboy Lance DeGay's wife is suing after she walked in on Lance hosting a Sweet Sixteen Party—attended by Lance and 15 girls.

Let's see what Ed Farley has on the disaster desk. Anything hot, Ed?

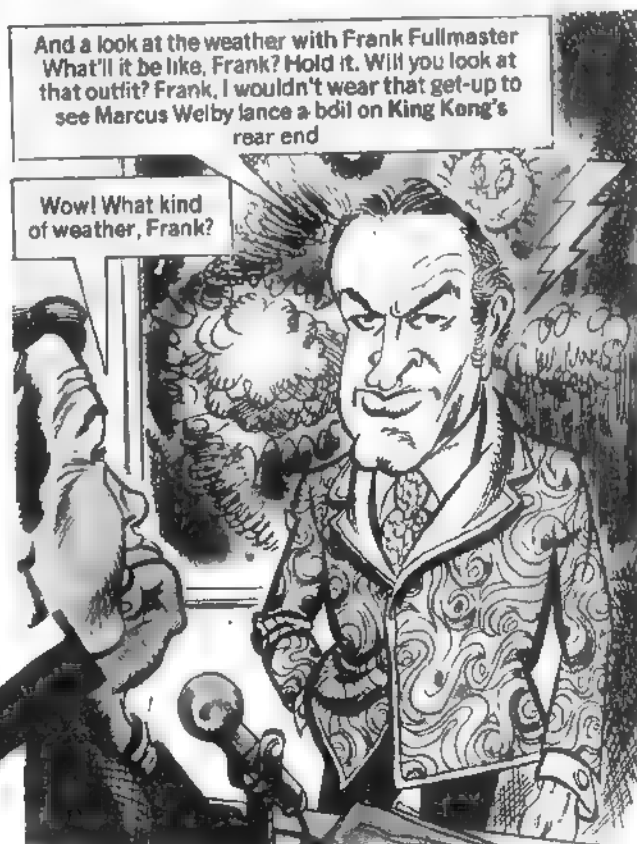

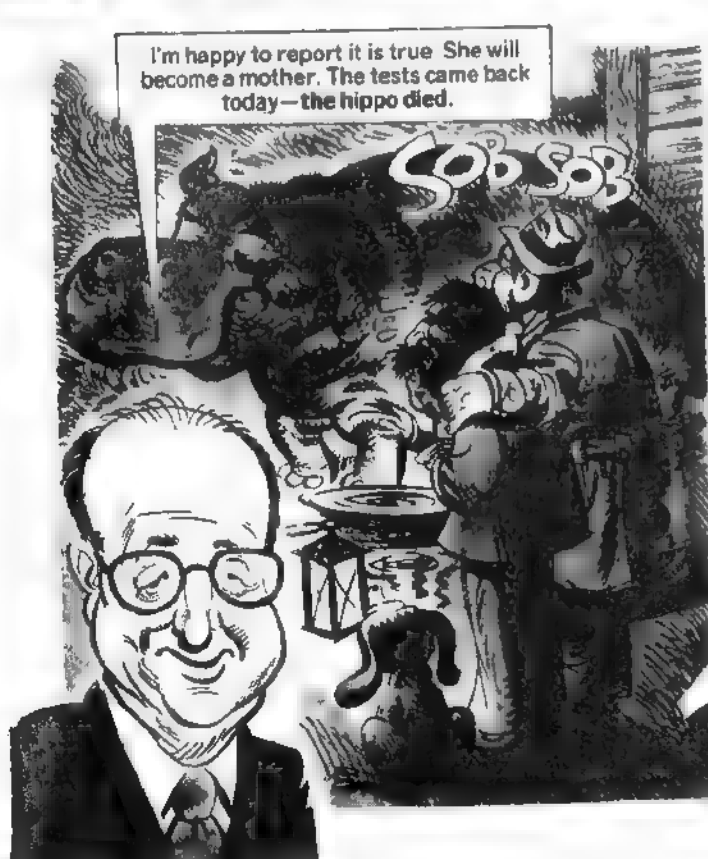

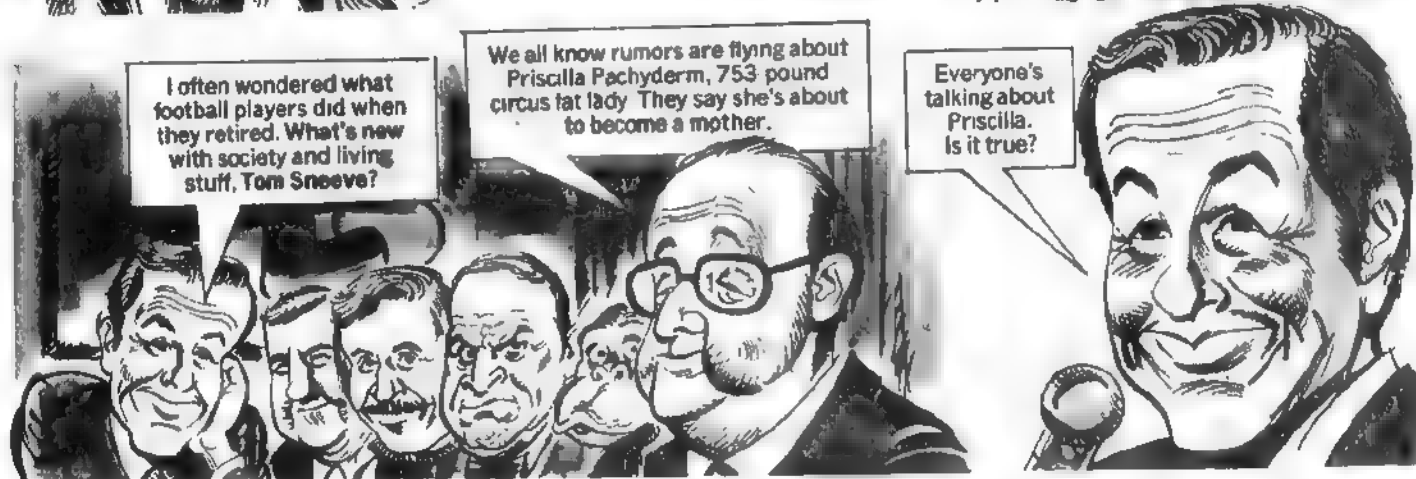

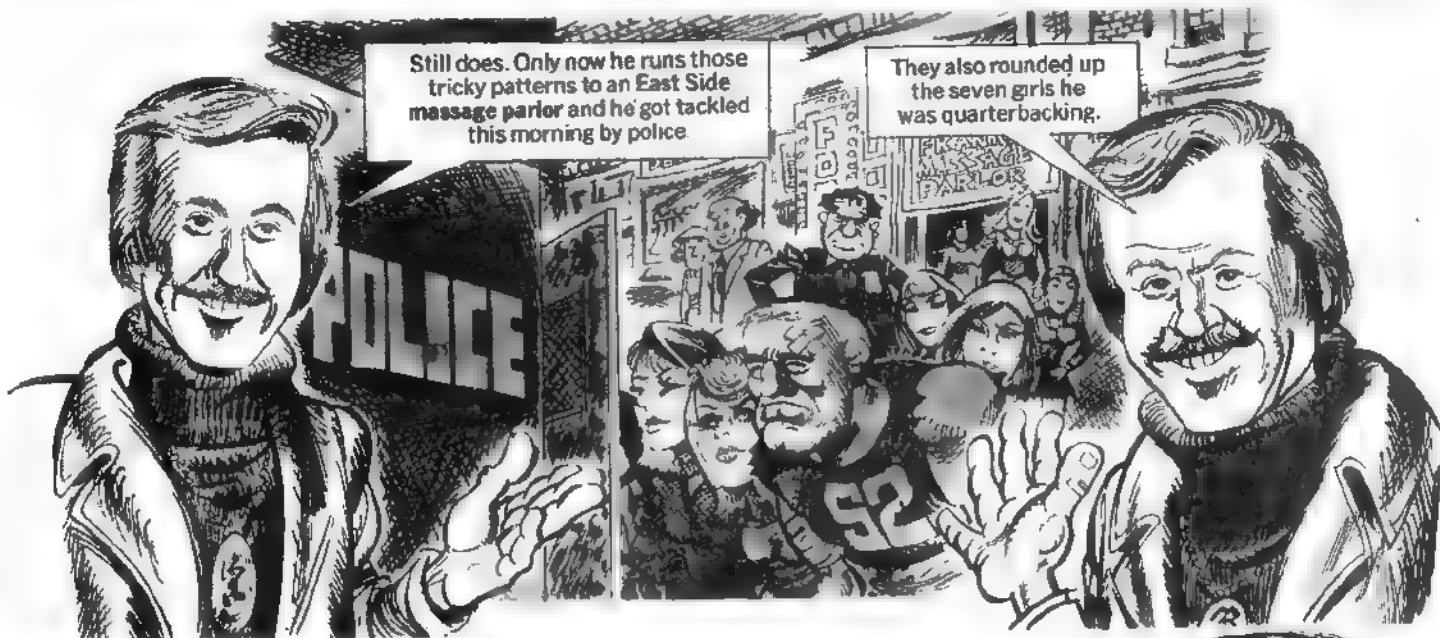

I'll have the details on an airliner that went down with 58 aboard in New Jersey. It's unusual because it went up with only 46.

Sounds good. And a look at sports with Doc Bindlestiff.

Remember Jack MsSnutt the great split end with the Packers?

Certainly do. Used to run those tricky pass patterns.

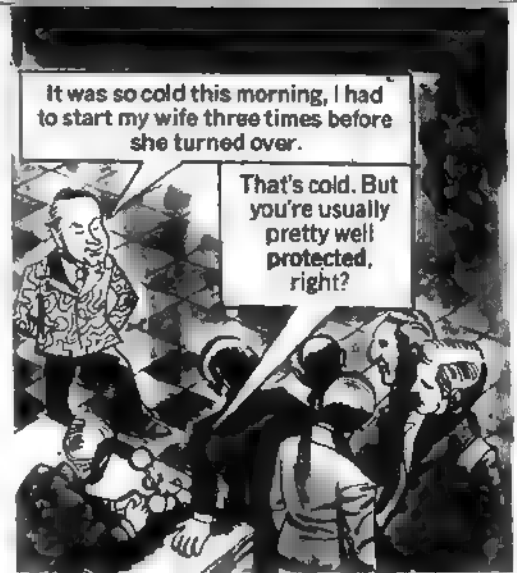

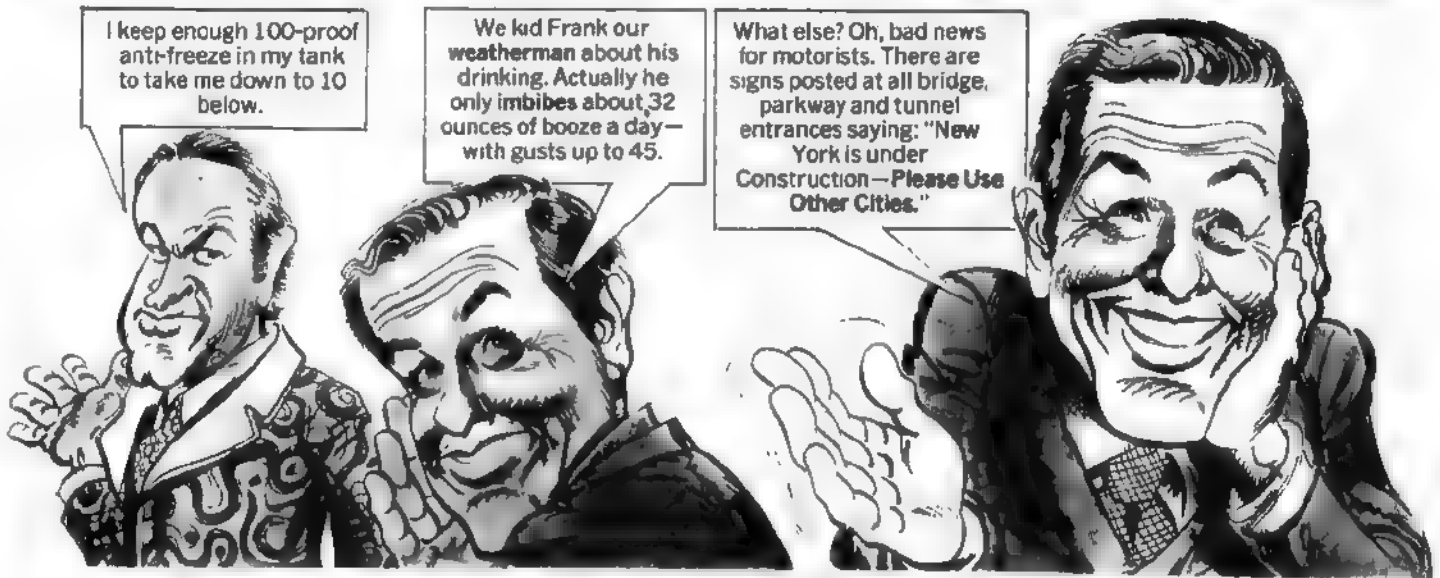

Cold. Very cold.

How cold is it?

It was so cold this morning, I had to start my wife three times before she turned over.

That's cold. But you're usually pretty well protected, right?

I keep enough 100-proof anti-freeze in my tank to take me down to 10 below.

We kid Frank our weatherman about his drinking. Actually he only imbibes about 32 ounces of booze a day—with gusts up to 45.

What else? Oh, bad news for motorists. There are signs posted at all bridge, parkway and tunnel entrances saying: "New York is under Construction—Please Use Other Cities."

Also coming up later an eyewitness account of the man who was crushed to death by a strolling accordionist during the third chorus of Lady of Spain at a Brooklyn scallopini parlor...

a talk with medical expert Dave Lisenbee, whose topic is, "How To Make Your Hernia Work For You," and critic Gene Shallnot will review a temper tantrum thrown today by fiery Broadway actress Carmen Gettit. Stay tuned. We'll be right back with all the news.

And now, a word from your local sponsors, Freddie's Funeral Parlor.

WHAT DO YOU CALL A MAN WHO WINS THE MILLION DOLLAR LOTTERY POSTHUMOUSLY?...A LUCKY STIFF, OF COURSE, JUST WHAT IS GOOD LUCK AND BAD LUCK? TO FIND OUT, TAKE A CHANCE AND READ ON.....IF YOU FEEL LUCKY.

BLARNEY MILLER

ON YOUR TOES, GUYS. THE COMMISSIONER TOLD US TO EXPECT A "SURPRISE VISIT" BY ONE OF THOSE FEMALE POLITICOS. OH, OH. HERE SHE COMES NOW.

CAPTAIN MILLER, I'VE BEEN APPOINTED BY THE "PRISONERS' RIGHTS COMMITTEE" TO CHECK UP ON CHARGES OF ALLEGED POLICE BRUTALITY.

NONSENSE, MY GOOD LADY. THE LAST TIME WE USED A RUBBER HOSE WAS TO FILL THE ROOF-TOP POOL! AND TO PROVE IT TO YOU, LET ME INTRODUCE YOU TO MY STAFF.

CAPT.
BLARNEY MILLER

THIS IS DETECTIVE FISH WHO'S ALMOST READY TO RETIRE--WE CALL HIM OUR "GERITOL CONNECTION".

BUT HE'S SO ELDERLY FOR A DETECTIVE.

RIGHT, FISH WOULDN'T HURT A FLY. IN FACT, HE CARRIES AN ORTHOPEDIC BLACK-JACK AND WEARS A CORRECTIVE SHOULDER-HOLSTER!

NEXT, THERE'S OUR JAPANESE DETECTIVE, YMANA. HE'S ALL RIGHT--EXCEPT EVERY DECEMBER 7TH HE DIVE-BOMBS THE PRECINCT!

CAPTAIN, I HEAR THAT ORIENTALS ARE AFRAID OF LOSING FACE. IF HE BOTCHES A JOB, AREN'T YOU WORRIED THAT HE MIGHT COMMIT HARI-KARI?

NOT OUR YMANA--HE'S TOO CHICKEN. IN FACT, HE WAS THE ONLY "KAMIKAZE" PILOT WHO INSISTED ON A ROUND-TRIP TICKET!

BANZA!

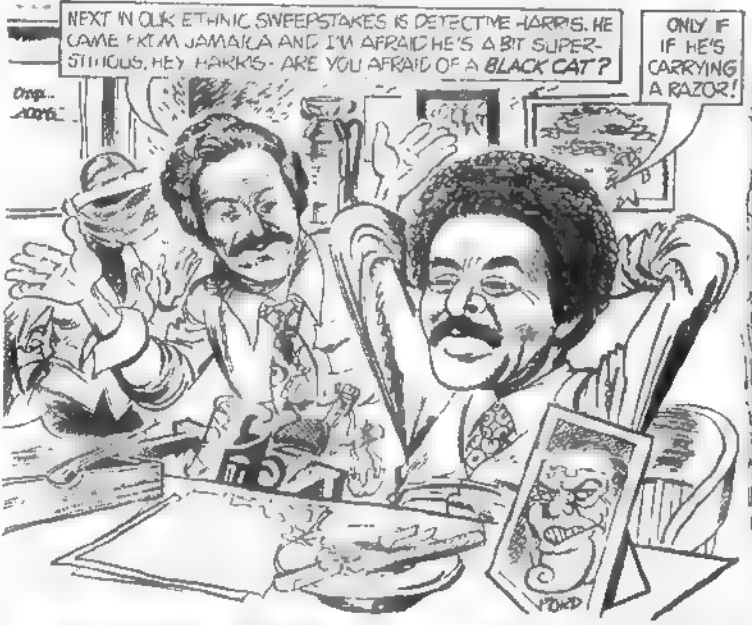

NOW I'D LIKE YOU TO MEET OUR PUERTO RICAN PRIZE PACKAGE, CHANO. POOR CHANO, SO OF HIS RELATIVES JUST HAD A TRAGIC ACCIDENT.

WHAT HAPPENED?

THE BED BROKE HEY, CHANO I HEARD YOUR ANCLERO PROMISED YOU A NEW PAINT-JOB.

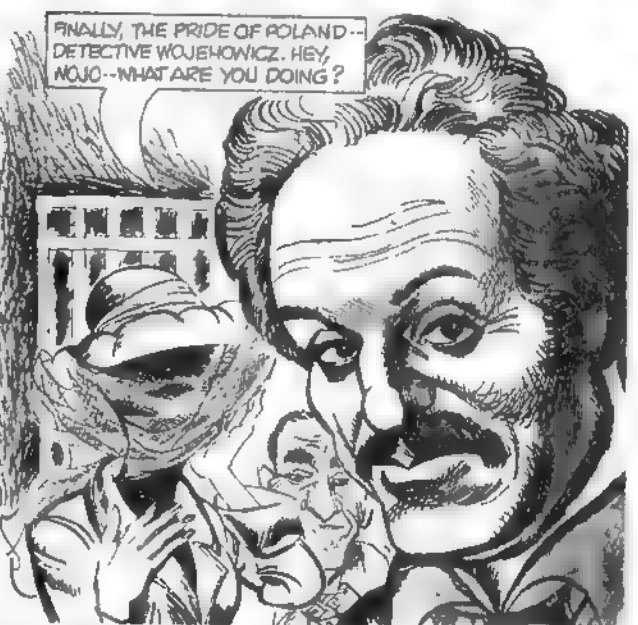

NOT EXACTLY, CAPTAIN. HE OFFERED TO PUT IN ASSORTED ROACHES IN THE LATEST DECORATOR COLORS.

NEXT IN OUR ETHNIC SWEEPSTAKES IS DETECTIVE HARRIS. HE CAME FROM JAMAICA AND I'M AFRAID HE'S A BIT SUPERSTITIOUS. HEY HARRIS- ARE YOU AFRAID OF A BLACK CAT?

ONLY IF HE'S CARRYING A RAZOR!

FINALLY, THE PRIDE OF POLAND-- DETECTIVE WOJEWOWICZ. HEY, WOJO--WHAT ARE YOU DOING?

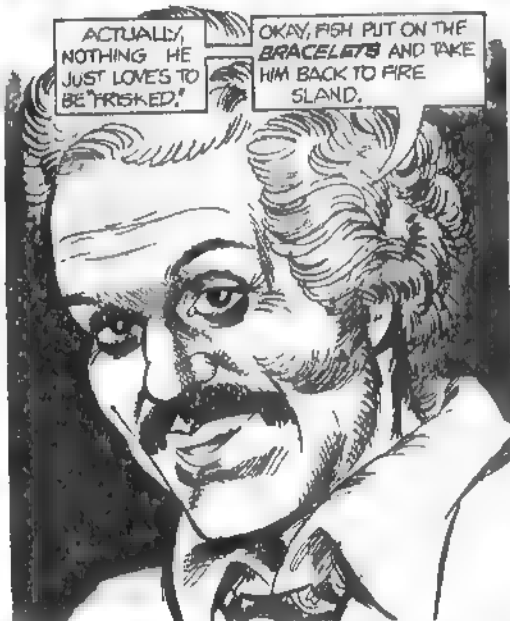

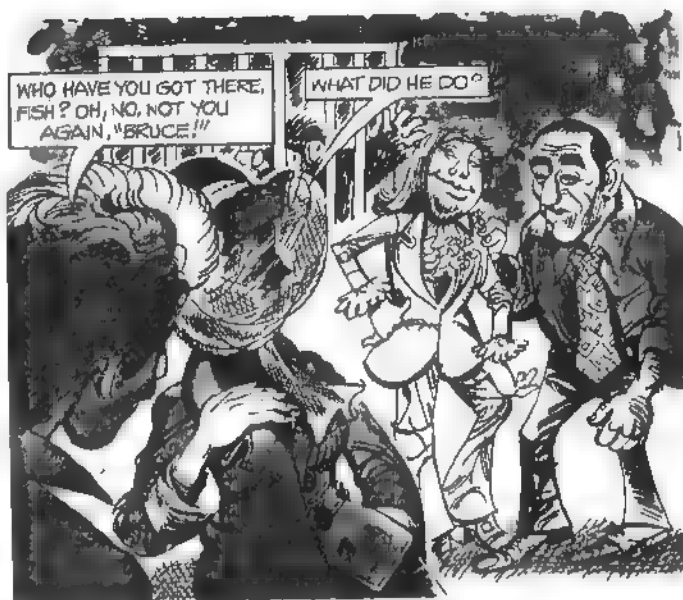

I'M DOING LIKE YOU SAID, CAPTAIN-- CLEANING UP THE STREET WALKERS!

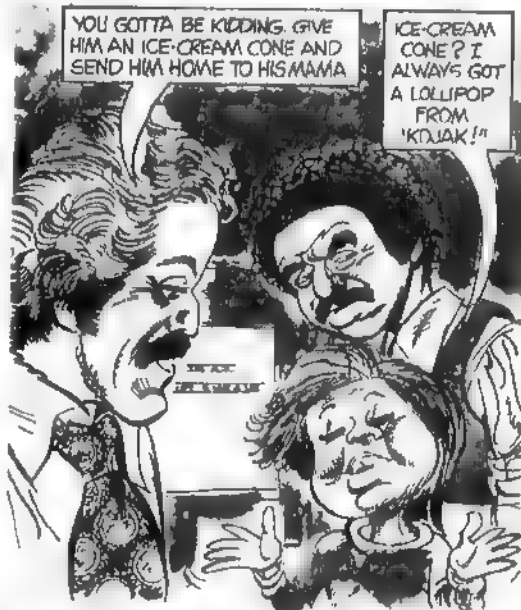

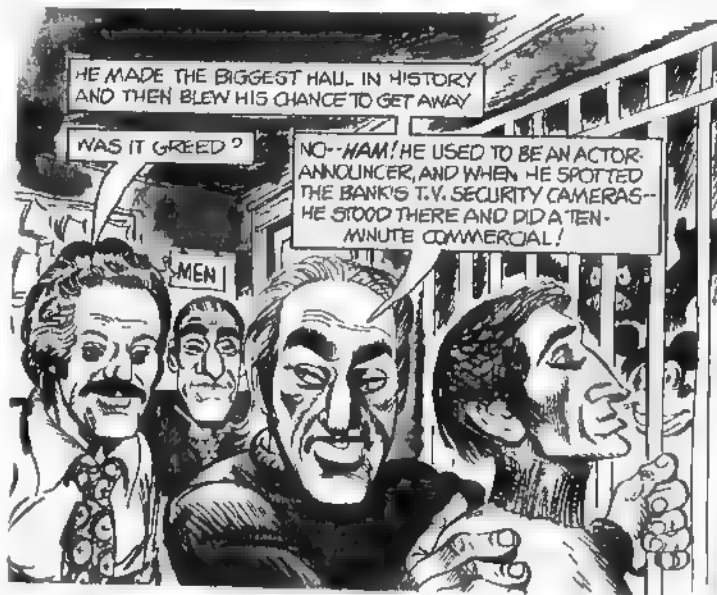

NO, NO, WOJO--NOT WITH SOAP AND WATER!

YOU'LL HAVE TO FORGIVE WOJO, MADAM-- HE'S A LITTLE SLOW. HE USED TO BE AN ELEVATOR OPERATOR-- BUT HE COULDN'T REMEMBER THE ROUTE!

ALL RIGHT CHESNEY--WE'VE ONLY GOT 20 MINUTES LEFT FOR LUNCH, SO WHAT'S IT GONNA BE? BACON AND TOMATO?--HAM ON RYE- OR A CHEESEBURGER?

OKAY, WOJC. HE "DESERVES A BREAK TODAY"--RUN DOWN TO "MCDONALD'S" FOR A BIG MAC

CAPTAIN, YOU'VE MADE A BELIEVER OF ME. SO I'M GOING TO REVEAL TO YOU SOMETHING OF A TERRIBLY INTIMATE NATURE.

ON MY WAY OVER TO THE PRECINCT, I WAS ATTACKED. YOU SEE, ALL THROUGH MY LIFE, MY BEAUTY HAS BEEN A CURSE. I'M SO WILDLY DESIRABLE THAT MEN CAN'T KEEP THEIR HANDS OFF ME.

SAY NO MORE. WE PICKED UP A LOT OF SUSPICIOUS CHARACTERS TODAY--LET'S GO DOWN TO THE LINE-UP.

THAT'S HIM! THAT'S THE ONE WHO FORCED HIS ATTENTIONS ON ME!

MAYBE YOU BETTER TAKE OFF YOUR VEIL--SO THAT YOU CAN BE ABSOLUTELY SURE.

BELLA ABZUG!!!

WELL, ARE YOU GOING TO SEND HIM TO SING SING FOR PUNISHMENT?

NO--TO AN OPTICIAN--FOR GLASSES!

He's a man of a few words ...

... but his wife never lets him use them.

He brings home the bacon ...

... and she keeps serving him TV dinners.

He has a suit for every day in the week ...

... the one he's wearing.

He runs things around his home ...

... the lawn mower, the dishwasher, the vacuum cleaner.

He wears the pants in the house ...

... under his pink and blue apron.

A great outdoors man ...

... that's where he sleeps after a fight with the wife.

MOTHERS

She can spend hours on the phone ...

... even if it's a wrong number.

She likes to write ...

... checks, checks and more checks.

She can keep a secret ...

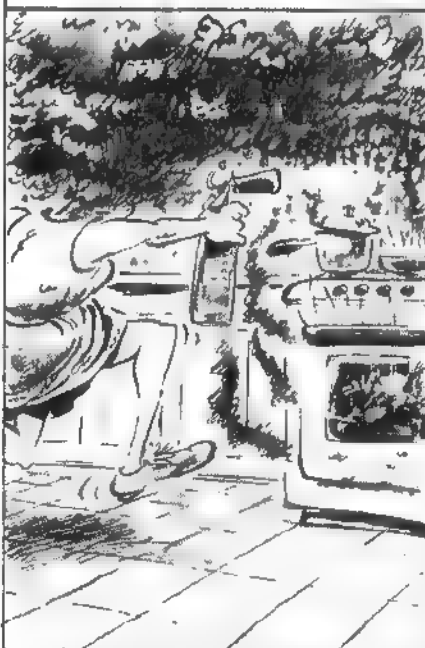

... for about two minutes.

She's a good driver ...

... now she just runs into cheap things.

She can dish it out ...

... but she can't cook it.

After all, they make an ideal couple ...

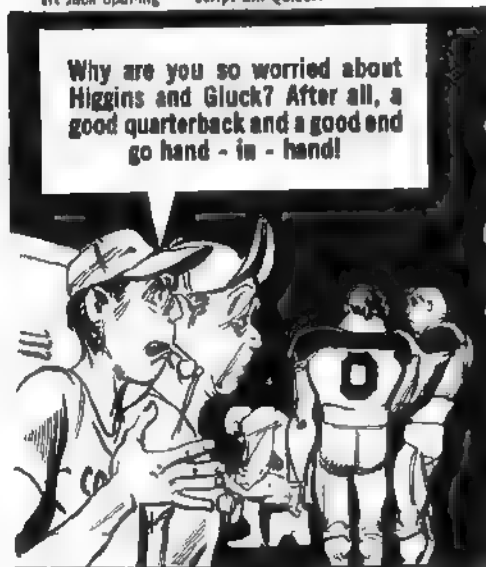

... he makes the money and she spends it. (Quickly)

THE SICK SIDE

Why are you so worried about Higgins and Gluck? After all, a good quarterback and a good end go hand - in - hand!

Yes, but in the locker room?

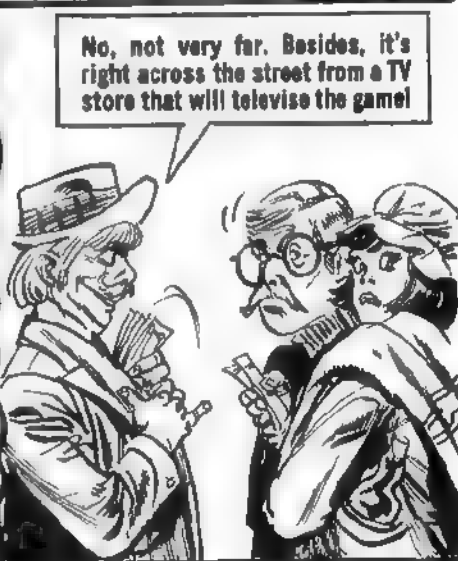

...and remember that football develops initiative, individuality and leadership! Now get in there and do exactly as I tell you!

In my first season I racked up 184 points all by myself. Trouble was, they were for the other teams!

Are these 50¢ seats far from the scene of action?

No, not very far. Besides, it's right across the street from a TV store that will televise the game!

See that fellow? He's the top scorer on the other team!

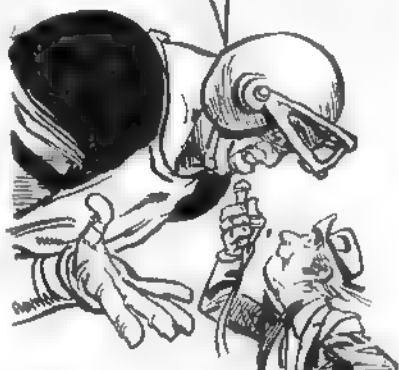

Yes, I've seen him with the girls!

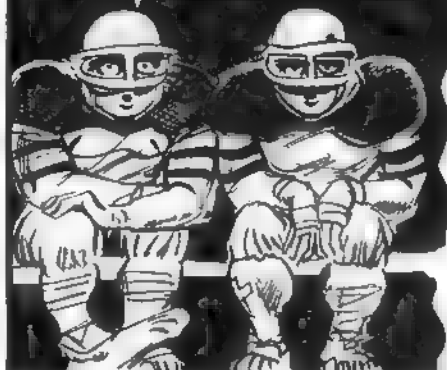

Why do they call them the scrub team? They look pretty filthy to me!

OF PRO-FOOTBALL

Everybody's a specialist in football today. They just hired a guy to wet the finger of the guy holding the ball for the guy to kick it!

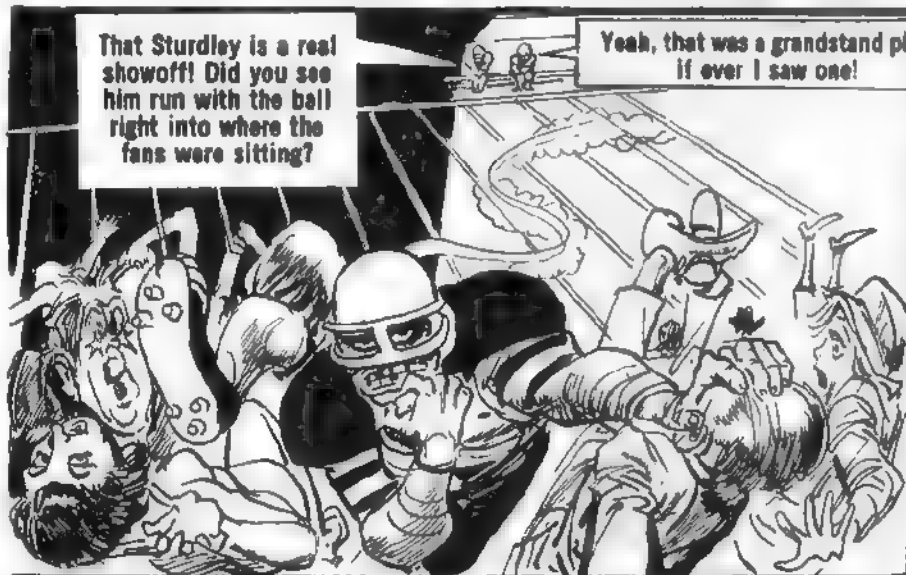

So what happened when the quarterback walked off with the right guard?

He left his teammates defenseless!

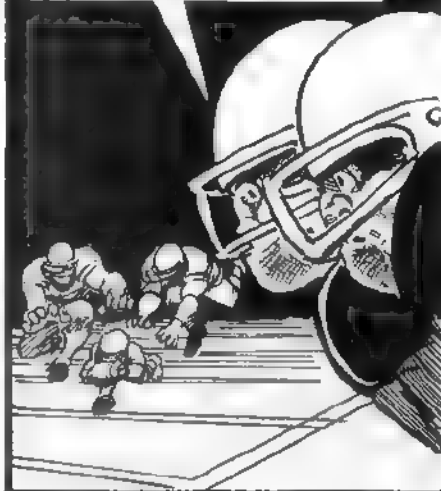

That Sturdley is a real showoff! Did you see him run with the ball right into where the fans were sitting?

Yeah, that was a grandstand play if ever I saw one!

Did you hear? We just hired a midget fullback. We're using him to go under the line!

I just had a crazy thought. Do you think they'd ever call a night game on account of daylight?

Say, can you catch a pass from a guy who intercepted the ball?

No, then you'd be a receiver of stolen goods!

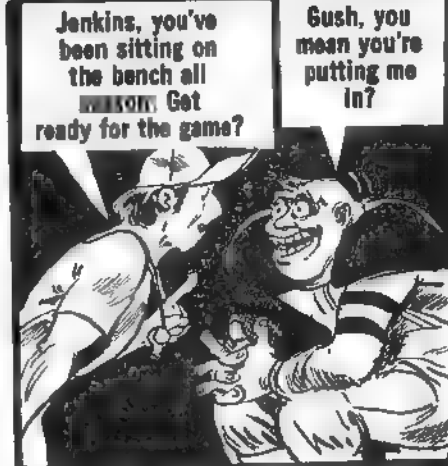

Did you like the way I ran the entire length of the field for a touchdown today?

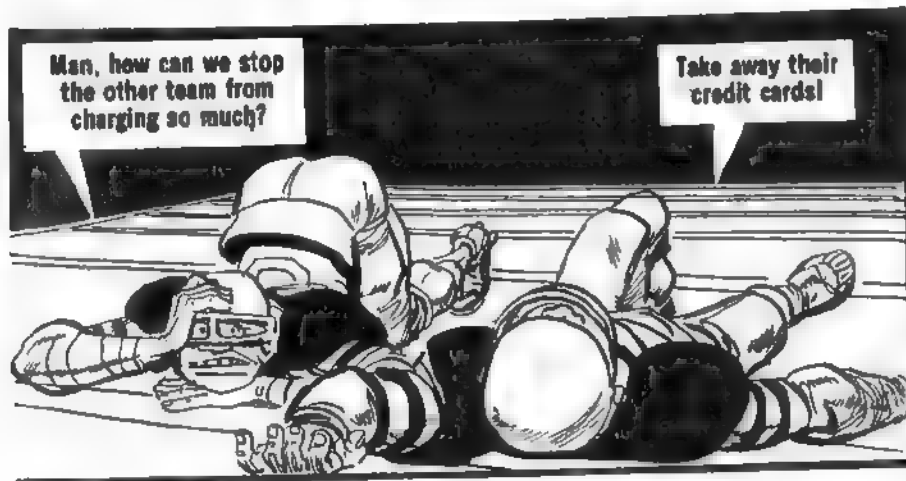

Yes. It's too bad it was in the opposite direction.

Jenkins, you've been sitting on the bench all season! Get ready for the game?

Gush, you mean you're putting me in?

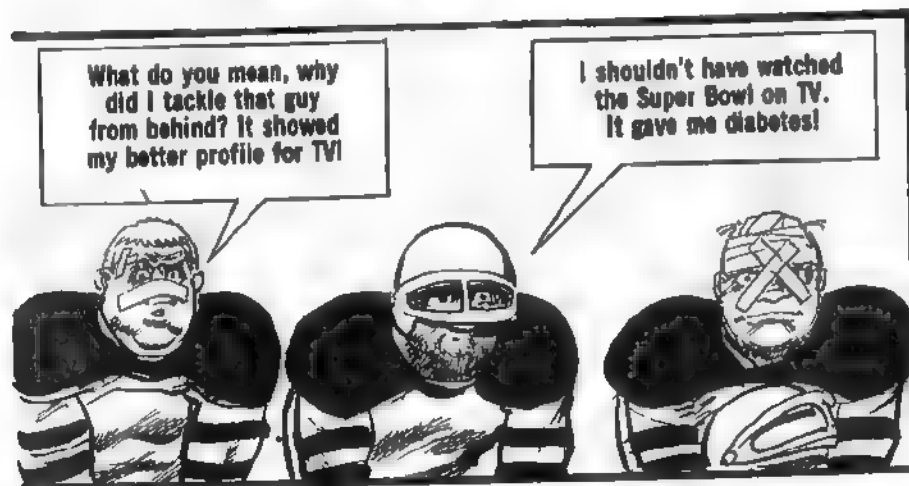

Man, how can we stop the other team from charging so much?

Take away their credit cards!

My brother made a 98-yard-run in yesterday's game!

That's great!

What do you mean, why did I tackle that guy from behind? It showed my better profile for TV!

I shouldn't have watched the Super Bowl on TV. It gave me diabetes!

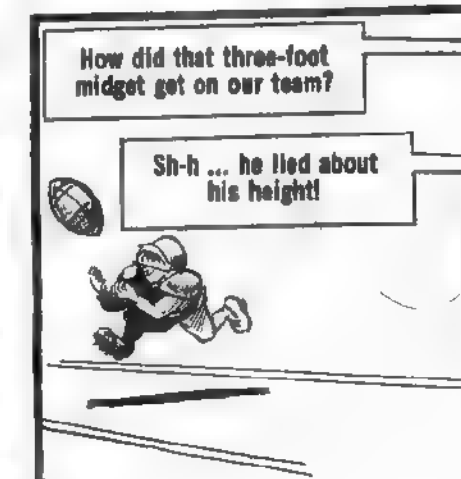

Some girl I was out with last night. I asked her if she knew what a pigskin was used for. She said it was to hold the pig together!

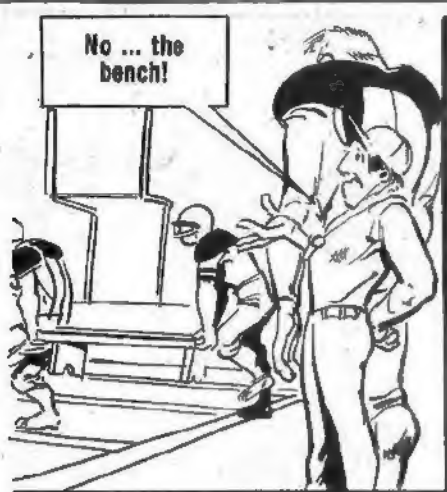

Remember the Four Horsemen of Notre Dame?

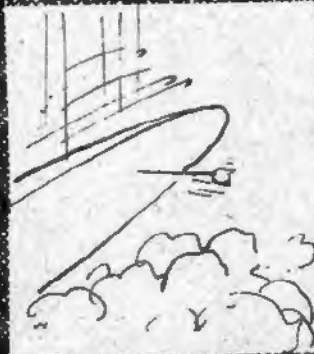

No, I never go to the track!

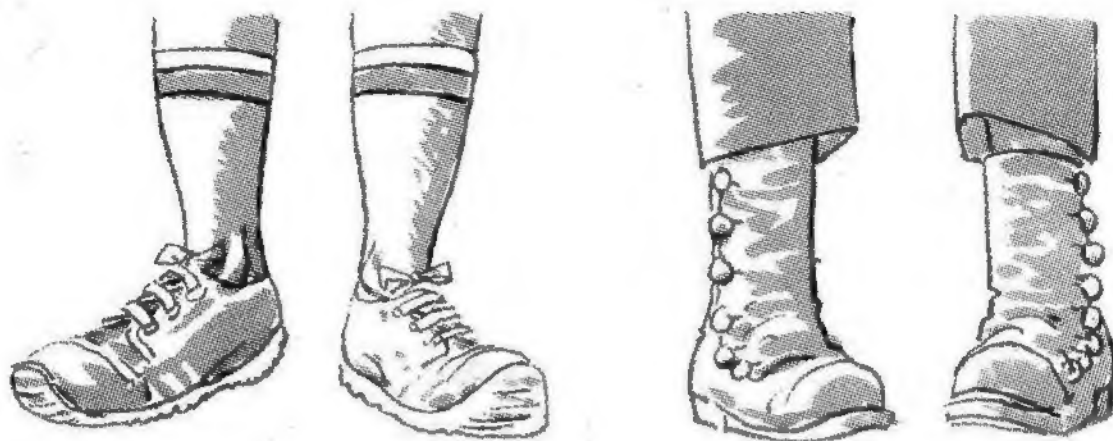

How did that three-foot midget get on our team?

Sh-h ... he lied about his height!
